CONFERENCE REMINDER
NUCLEAR POWER IN SOCIETY: FINDING THE BALANCE

October 23, 2009 -- Canada's Minister of the Environment Jim Prentice and Duncan Hawthorne, President and Chief Executive Officer of *Bruce Power*, will present keynote addresses at *Nuclear Power in Society: Finding the Balance*, a conference to be held in Ottawa on October 25 and 26.

Hosted by the Council for Clean & Reliable Electricity and the University of Waterloo Institute for Sustainable Energy the conference will focus on three critical nuclear themes – cost, safety and waste management. This will be an excellent opportunity to share insights and learn more about the latest developments from leaders in public policy and nuclear energy.

Dates: October 25 and 26

Location: The Hampton Inn
Ottawa & Conference Centre
Ottawa, Ontario
