### WELCOME

On behalf of the Council for Clean and Reliable Energy and our partners, welcome to the sixth CCRE Annual Energy Leaders Roundtable.

The intent of this event is to bring together leaders in the energy industry for open dialogue, a candid exchange of views, and networking among participants. There will be several keynote addresses as well as panels introduced by brief presentations at the beginning of each session that are organized around a variety of timely and important topics.

We are pleased to have brought together high caliber speakers and participants and look forward to presentations and discussions from the sessions including:

- Lessons Learned from an Indigenous Perspective on Energy in Ontario
- Public Opinion and the Energy Sector
- Ontario's Energy Future: Policy and Expectations
- Governance of Regulatory Agencies
- Modifying Previous Government's Energy Policies: Options for Action in the Public Interest
