## Annual Energy Leaders Roundtable

Hockley Valley Resort  
Orangeville, Ontario

### **CCRE Roundtable Cancelled and Shifts to the Fall 2020**

After carefully considering the health and well-being of our guests, speakers and venue staff, and with respect to the request to collectively pause during the COVID-19 outbreak, the CCRE will be shifting its CCRE Annual Energy Leaders Roundtable from April 22-24, 2020 to the Fall 2020.

For our guests that have registered, our speakers that generously provide their expertise, and our sponsors that have kindly supported our event for many years, we thank you. We will be reaching out directly to those that are currently registered and to our sponsors for their direction in refunding fees.

A further announcement with a new Fall 2020 date will be forthcoming.
