

Disruptive Innovation over the Wires: Business Models for Success

November 9, 2017
University of Waterloo
Federation Hall

Sponsorship: Support the Technology Innovators of the Future

The Second Annual Technology Innovation and Policy Forum provides the perfect opportunity for your business to reach the technology innovators, leading researchers and entrepreneurs, business leaders and policy makers shaping the next generation of smart energy solutions. We are offering a sponsorship and marketing opportunity for your company to be featured at this important event.

Presenting Sponsorship
